

DRAWING PEOPLE

I offer drawing lessons in the form of workshops as well as individual lessons!
The focus is on the human figure, both nude and clothed.
Participants will intensively explore various aspects of figure drawing .

PROPORTIONS

- Basic understanding of human anatomy.
- Application of correct proportions in drawing and painting.
- Techniques for improving accuracy in the representation of body parts.

FIGURES IN SPACE

- Creation of depth and perspective.
- Placement of figures in different spatial contexts.
- Use of light and shadow to enhance the three-dimensional effect.

FIGURES IN MOTION

- Capturing dynamic poses and movements.
- Analysis of movement sequences and their translation into static images.
- Application of design principles to represent dynamics and energy.

The workshop offers a comprehensive introduction to these fundamental techniques and concepts, which are important for the realistic and expressive representation of the human figure.

I usually offer the DRAWING PEOPLE workshop in Berlin. However, I can also come to your premises outside Berlin to give lessons!

DETAILS OF WHAT IS REQUIRED:

- Room size of at least 50 square meters.
- Sufficient seating for all participants.
- Sanitary facilities.
- Nude models accompany the workshop throughout. Outside Berlin, I therefore need contacts to local models or local artists' associations and modeling agencies.
